SW 221 Portfolio Assignment Values Writing Assignment 1

This is a departmental Standardized Assignment: This assignment will be placed in your portfolio and used to calculate scores for competencies at designated points in your education.

Purpose: The purpose of this assignment is for each student to be able to explore her/his personal value systems and socially constructed statuses as they relate to the core values of the social work profession and the development of helping relationships through personal exploration and written expression.

Behaviors to be assessed/Plan for evaluation:

Recognize and manage personal values in a way that allows professional values to guide practice
Plan for evaluation: values writing assignment, instructor assessment

Gain sufficient self-awareness to eliminate the influence of personal biases and values in working with diverse groups
Plan for evaluation: values writing assignment, instructor assessment

Expectations of Students: Each student will complete, at minimum, a 6-8 pages typewritten and double-spaced paper addressing each of the areas outlined for the assignment. Proper writing and grammar skills will be expected as well as a well-organized approach for conveying critical analysis of the areas of the outline. It is expected that students will approach the completion of this assignment with seriousness and integrity in the discussion of these important personal issues. It is also expected that the assignment will be completed and turned in by the due date announced in class.
