

Thank you for using the **TakeAway™ Environmental Return System** to safely dispose of your unwanted medications. Your decision to help keep prescription and over-the-counter drugs out of the environment protects not only you and your family, but also helps prevent drugs from entering the ecosystem.

Do's

1. Pharmaceuticals must be in their original containers when placed into the **TakeAway™** envelope.
2. Liquids must be placed in a sealed plastic bag (e.g. a zip-locked bag) before being placed inside the envelope. No more than four (4) ounces of liquids can be included in each mailing.
3. Seal the envelope carefully.
4. Take the sealed envelope to a U.S. Post Office or U.S. Postal Service drop box, or simply hand it to your U.S. postal carrier.
5. Call Sharps Compliance, Inc. at 800.772.5657 if you have any questions regarding packaging requirements.

Don'ts

1. DO NOT mail syringes or sharps in this envelope.
2. DO NOT OVERFILL THE ENVELOPE.
3. DO NOT send controlled substances. Questions? Check with your pharmacist.
4. DO NOT take this mailback package to your pharmacy.
